DECLARATION

With my signature, I confirm that a sufficiently effective vaccine registered for use at the locality of animal husbandry to alleviate the occurrence of the disease is not available in the above-mentioned herd. The vaccine is prepared from isolated pathogenic organisms and antigens from the above herd of the same epidemiological unit, or animals from a herd with a confirmed epidemiological link. Furthermore, I confirm that I accept the general terms and conditions of AniCon Labor GmbH for the production of autogenous vaccines, as listed at www.anicon.eu.
